Intersection Improvements

This is a local government project with UDOT oversight. Plans call for a series of road and intersection improvements in Holladay City. The project will enhance safety and aesthetics, and upgrade the operation of Holladay's roadway system.

Currently Identified Budget: \$9.2 million

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Municipality (ies): Holladay

Take care of what we have • Make the system work better • Improve safety • Increase capacity
